

## **Announcing the Dean's Choice and President's Choice Purchase Awards**

Each quarter two award-purchases of student work will take place, administered by the Gallery Committee. Each student selected will receive a \$250 scholarship, to be applied to their student account. Works will be on display in the President's and Dean's offices for the quarter following the award, and then placed on public display on campus grounds permanently. Previous winners are allowed to resubmit only after a waiting period of 3 quarters. For example, if you received a Choice Award in Summer 2009, you would not be eligible to submit again until Spring, 2010.

To be considered, please submit the following by the deadline of **4pm, Friday December 11, 2009:**

Up to three works may be submitted.

Submissions are accepted via email ONLY. You will submit either 1-3 jpg or pdf files representing the works, or a web gallery with 1-3 works posted (emailing the link for your submission). The web gallery option is designed to aid students who have one-of-a-kind works, such as drawings, that they may photograph with a digital camera and post for consideration. If more links are delivered with more than three works, the Dean and President will only review the first three on the site.

All students at Ai have web space available for such a gallery. Please consult your faculty for help and advice. The Gallery Committee cannot provide such help.

JPG submissions:

No longer than 6" on the longest side. 150 ppi.

**You may be asked to provide a bigger file if selected.**

**Email your submissions no later than 4pm on Friday, December 11, 2009 to [cmullins@aii.edu](mailto:cmullins@aii.edu) with the subject line "President's Award".**

- Be sure to include the following:
- Your full name, as you would like it displayed with your work
- Your student ID#
- Your e-mail address
- The quarter you plan to graduate
- Your major
- Title of Work (if applicable/ for each work submitted)
- Course/Quarter in which work was completed (for each work submitted / work MUST have been made while the student has been enrolled at AI Minnesota).
